

Begins June 3

NEHEMIAH

The book of Nehemiah tells of the third of three returns by the Jewish people to Jerusalem after the seventy-year captivity in Babylon. Jerusalem had a temple but there was not city wall to protect the city from attack. Nehemiah provides leadership to mobilize a city-wide construction crew for the building of the wall around Jerusalem. This book provides a wonderful example of how God uses ordinary people, like Nehemiah the layman, to accomplish his extraordinary plans.

EVANGELISM

Evangelism...we all know that it is something that we should be doing and many of us have a desire to share the wonderful good news of the gospel of Jesus Christ. At the same, evangelism is often misunderstood and intimidating. This class will look at the scriptures and a small book by Mark Dever, *The Gospel and Personal Evangelism*, to help us answer many of the pressing questions – the Who? What? How? And Why? – about evangelism.

If you belong to either of these mailing lists today, expect to see a **"Welcome" email** from the new list this week. Please begin using the new addresses at that time.
