** For further details on these and other announcements, or for any sign ups, please see the Friday Email or visit our APP or website.*

Prayer Needs

- **William Drummond** is in main DCH, at this writing, dealing with fluid on the lung issues. Please pray for his lungs to clear and that he will be able to be transferred to UAB, per his cardiologist's request, when a bed opens up. Please also pray for Martha as she cares for William.
- **David Fletcher** will have hip replacement surgery in February. Please pray he remains clear of infection and is able to manage the pain until that time. Pray, also, for Angie as she cares for him.
- **Robin Engel** had a CT scan last week that showed no spread of the cancer and some shrinkage, praise God! Continued prayers for her and her family during this difficult time are greatly appreciated.
