Prayer Needs

- **Ted Sekeres** has been placed on in-home hospice care because of worsening heart issues. Please pray for Ted, Diane, and their family that the peace of God would comfort them during this time.
- **William Drummond** is, at this writing, in UAB Hospital. They are trying to resolve his heart issue and the build-up of fluid around his lungs with medication. Please pray for wisdom for the medical staff and for peace for William and Martha.
- **Steve Fowler** is having back surgery on his upper back this Tuesday in Birmingham. When he sufficiently recovers from that surgery, he will have reparative surgery on his lower back. He has been in great pain with difficulty moving around. Please be in prayer for Steve and Beth and that the surgery/surgeries will be successful.
- **David Fletcher** will have hip replacement surgery in February. He and Angie have both been sick this week, one with covid and one with the flu. Please pray for him and Angie as they recover and for David as he awaits his surgery.
